Subject: Views on reality shows

Sir,

Reality shows are comedy shows or entertainment shows. They have become a range on **TV**. I am fond of seeing dance-India-dance and Boogie Woogie. These are dance competitions. The *Chhote Ustaad*, *Sara Gama Pa*, and *little champs* are also my favorite singing shows.

I was shocked or rather stunned to see these shows. I found child contestants *cheering, jeering, or sobbing*(real or pretended on the screen).

I am of the view that such shows the energy and confidence level of the tender children. Parents are also apprised of the qualities they should inculcate among their children. They help the easy growth of the mental faculty of the children in a natural way. Moreover, the cultural activities make the national culture rich.
