**Answer:**

M.G.R. Hostel, Chennai  
5<sup>th</sup> March 200...  
The Superintendent of Police  
Chennai.

**Subject:** Indiscriminate/Excessive use of Loudspeakers.

Sir,

This is to draw your kind attention to the **indiscriminate use of loudspeakers** in the Link Road Area. Of late the religious place like the temples and Gurudwaras have been vying with each other in the **use of loudspeakers**. The small hours of the morning they begin to blare out Kirtans, Bhajans or Shabads, caring little for the people living around. Bhagwati Jagarans do not let us have a wink of sleep the whole night.

The **indiscriminate use of loudspeakers** is causing inconvenience to the residents of the area. The worst suffers are the students living in M.G.R. Hostel, who have to appear in their annual examination in the month of March. They are greatly perturbed as their studies are hard hit.

I request you to ban the **indiscriminate use of loudspeakers**. Those who intend to use the public address system should seek prior permission of the concerned authorities, and they should be asked to use **loudspeakers** for the minimum time.

Thanking you,  
Yours faithfully  
S.Subramaniam
