The Commissioner of Police,
New Delhi,

Subject: Ticketless Travelling by students.

Sir,

I wish to draw your kind attention to the lawless activities of the college students in Delhi. Yesterday, I was traveling by bus. It started from *Nand Nagri Depot* and its destination was *Central Secretariat*. A number of college *boys* and *girls* were also traveling by the same bus. The conductor asked them to buy tickets. Most of them said ‘staff’ as is the usual practice amount students. Some bullies threatened the conductor with dire consequences if he did not behave himself. The poor conductor was too scared to face them. One of them also caught him by the neck.

The passengers dared not side with the conductor.

Kindly look into the conductors’ genuine problem and find out some solution and find out the solution. Strict action should be taken against bullies.

Thanking you,
Yours faithfully,
Pawan/Priya.
