Subject: Eve-teasing in local buses

Sir,

Through the columns of your esteemed newspaper, I am much concerned about the cases of eve-teasing in the local buses. These unsocial and happenings dishearten a lady to travel alone in a bus. She feels unsafe, nervous and remains stressed because the vulgar men behave untowardly towards the ladies. They often use filthy remarks and even they do not hesitate to misbehave. They put all etiquettes of the society at bay even the protectors turn into predators as none can

predict their nature. Sometimes the policemen on duty show indifference and cooperate with the ruffians. This state of nasty misbehavior has posed a serious threat before the working ladies go out to their duty posts.

In this regard, it is suggested that the government should hold some self-defense classes and sanitize the force with the cooperation of people and NGOs. The ladies should not walk around late-night.

I think my views will find a small spot in your newspaper.

**Yours Faithfully,
Pooja Sharma**
