Subject: Opening a Secondary School for Girls.

Sir,

underestimated. *Swami Vivekanand* had said, "If you educate a man you educate an individual, when you educate a woman you educate the family." An educated mother is a blessing in the family as it helps to care for the **children** in a better way. It even becomes economically sound and independent to support the family. The villagers have given their consent that there is no school for girls and they have to go far off areas. They feel a lot of difficulties and according to some policy of the government, there should be adequate arrangements for the education of the girls. In the interest of all, the opening of a secondary girls school is the need of the hour. I hope that you will do the needful and help the residents in their noble cause.

Yours faithfully,
Priya/Pritam
