

## Process of U.S. Citizenship

Every person who wants to come to be a naturalized U.S. citizen has to undergo the required steps to end up a U.S. citizen. To demonstrate the United States citizenship process, the numbered factors below briefly summarize each step to U.S. citizenship.

### 10 necessary steps to grow to be a U.S. Citizen

#### **Step:- 1** Check Eligibility for U.S. Citizenship

The primary step to becoming a U.S. citizen is determining if you are eligible to apply for U.S. citizenship. If you have had a legitimate green card for a minimum of 5 years, have been the associate of a U.S. citizen for at least three years; have served within the U.S. navy; or are the child of a U.S. citizen, you may be eligible for Citizenship. Some candidates must have an inexperienced card on the day of their citizenship interview.

Other necessities include residency, applicable moral man or woman, understanding of the English language and U.S. civics, an attachment to the kingdom and the charter, and extra information about U.S. Citizenship and Naturalization Eligibility.

#### **Step:-2** Complete form N-400

The following step of the USA citizenship method is to finish the United States citizenship application program. You should download and whole utility for Naturalization (N-400), filling it out indeed. The application asks for information approximately contemporary-day and beyond residences, your dad and mom, present-day and past employment, training, time outside of the U.S., marital statistics, youngsters, and numerous personal questions. Do no longer pass over any data, given that incomplete application will put off the naturalization technique. At the naturalization interview, you will be requested questions based on your application, so be clean and honest, preserve a duplicate of the utility with you, and study different approximately filing shape N-400 Naturalization applications.

#### **Step:-3** Reap two color photos

The two equal photos of yourself have to be U.S. passport-sized (2 in x 2 in or 5 cm x 5 cm), incomplete shade or black and white on a light/white heritage, and no head coverings except for non-secular reasons. The photograph needs to be clean with a complete front view of your face with the dimensions of the pinnacle from chin to top-of-head and no longer smaller than 2 cm. The

photograph also needs to be taken no extra than 30 days in advance, and then you record from N-four hundred.

## **Step:-4** Photocopy documents

Your utility must include a photocopy of your green card (front and back factors) and particular files required. Don't forget to send a copy and now not the original; you'll be required to bring the original files to the naturalization interview. If any document isn't in English, get a translated model and connect that with the unique record. If you have misplaced your inexperienced card and applied for a replacement, deliver a photocopy of your receipt.

## **Step:-5** Deliver your application form

Send your application, costs, and documents to the perfect service middle. The price for the utility and fingerprinting is \$725 and needs to be sent thru a test or cash order.

## **Step:-6** Get Fingerprinted

You'll be contacted with the aid of USCIS as quickly as your utility has been received with a time and region to have your fingerprints taken, so one can be used for a crook history check, carry this letter, your green card, and every other shape of photo identification with you to the fingerprinting place.

## **Step:-7** Attend Naturalization Interview

The final steps of becoming a U.S. citizen take area sooner or later in the naturalization interview. You may be notified of the time and location of your interview, which can be rescheduled if essential. USCIS recommends arriving at least half of an hour early and ensuring to supply your inexperienced card; your passport (no matter the fact that it is expired); your nation-issued identity; and any re-get admission to allow you to have.

You'll be requested questions about your application and history, your individual, and your wish to take an affirmation of allegiance to the U.S.

## **Step:-8** Take English and Civics check

Sooner or later, of your American naturalization interview, you may be tested for your ability to write and communicate English and people civics on your records.

## **Step:-9** I look forward to the selection

After your interview, USCIS will offer you a form with its decision and facts approximately your outcomes. The organization will provide your citizenship request, maintain your case (pending a 2nd interview or additional documents), or deny your application program. You could request

paying attention to the USCIS (form N-336) if you believe your application program turns out to be unfairly denied.

## **Step:-10** Take the Oath

If you are granted U.S. citizenship, you need to take the Oath of Allegiance to the U.S. After taking the Oath; you may maintain your certificate of Naturalization and be a U.S. citizen. Make sure to head back your green card to USCIS when you test in for the Oath ceremony. As soon as you've got taken the Oath of Allegiance, you have finished the stairs to become a U.S. citizen and are finished with U.S. citizenship manner.
