

Expository Essay on Reading as a Hobby

Introduction

Recreation is the best thing that can happen to a person from childhood. Put, leisure time is the regular activity of one's leisure time for recreation and entertainment. We, like children, can have a wide range of hobbies that can be taken for granted - reading, stamp collection, painting, sports, instruments and music, gardening, sewing and even cooking. It is also said that sometimes a person can work in one of these hobbies.

Reading as a hobby

Reading is my hobby. I love reading books in my free time. Harry Potter series written by J.K.Rowling is also one of my favorite. I have read other books such as Alice's Adventures in Wonderland, The Wonder Wizard of Oz; Peter's Tale Rabbit; Winnie-the-Pooh; The Adventures of Rusty and the days of Malgudi.

Besides novels and books, I also read children's magazines like Chompak, Tinkle, Wisdom, Cha-cha Choudhury etc.

Benefits of reading books

I believe that reading books has many benefits. A few of them are:

It gives you information: Reading is the best way to spend your time alone or even on the go. You find good information about people, places and other activities in books. Even reading novels and novels gives you a sense of purpose.

It's a great way to expand your vocabulary: Reading is considered a good practice. It also helps to increase vocabulary and grammar knowledge and brings fluency. Speaking fluently using grammar correctly makes you look educated and gentle.

One can get information from others: Learning helps you to gain knowledge and knowledge from others.

It makes you think more: While reading books and stories, one is often moved to a different world, the author's world. This helps to increase the student's ability to think. One can also improve his visual images of the situation while reading a book. Such a thing is impossible while watching TV.

Helps you to understand people and situations: Reading helps you to understand people and situations and tends to deal with them more intelligently. Biographies and autobiographies or even simple reading books often tell us about people and places.

Refreshment: Reading relaxes and refreshes the mind. I often spend time reading the magazines after I get home from school. It helps me relax my mind before I start my homework and studies.

It helps to pass the time during the journey: Learning is the best source of time travel during the journey. One can sit on a bus, a train, a car, or an aeroplane with a book in hand.

CONCLUSION

It is a peaceful pastime and can be done quietly at home. Reading keeps you busy without making you feel lonely or distracted. With the advent of technology, it has become an inexpensive hobby and can be enjoyed by anyone who loves to read. And it is a way to exercise self-control.
