

## Descriptive Essay on Grandmother

Most of us are blessed with a grandmother. However, some of us are lucky enough to spend more time with them than others. Grandmothers are a hidden blessing as they pour our love on us and lead us in the right direction. In this article, we will talk about grandmothers; we will look at how strong they are.

### A grandmother is Hidden Angel

The sweet grandmothers are hidden angels for all the grandchildren. They went through all the pain and tried to do all the work for their grandchildren. They have gold hearts because they treat all of their grandchildren equally.

Despite the challenges, they are always there to support us. Most of the time, our parents do not signal to say no but to our grandmothers who try to do that which is not yes. This is their greatness and their love for us.

A grandmother is always kind to us. She always loves us much more than their children. Grandmothers are our childhood besties with whom we share all the secrets. Both grandmothers give equal love, whether she is our father's mother or our mother's mother. It is because of them that we eat such delicious food. Nothing can compare to the taste of grandma's food. Usually, they do not tell us about their problems but always have a happy face to be happy. Although our grandmothers endured a lot, they never let that come to light. No matter what, they are always there to defend us.

### The beautiful Example about Grandmother

My grandmother is an excellent example of who I want to be. She is over five feet [5 m] tall and very kind by heart. Her warm demeanour helps us to win the heart of anyone she meets. As a child, I used to hold her delicate, soft hands.

She has stories, many of them. She has faced different times, worlds, and difficulties, but she is still as strong as ever despite all these. Even though she has grown up without me, she always keeps up with me so that he doesn't lose anything.

I love watching her taste her food, and I love it. She is usually the first one at the dinner table but always the last one to leave. She makes sure no one eats alone, so she stays until the end. A patient lady is my grandmother.

I enjoy spending my afternoon with her, sitting by the window and relaxing. She drinks a little tea while I listen to the stories she tells me—all the exciting stories about her childhood and her siblings.

My grandmother is a wonderful woman who taught me compassion and honesty. I owe him all his kindness and compassion. I hope she will live a long and healthy life full of love and warmth.

## Conclusion of the Essay about Grandmother

Therefore, older women do not have to be celebrities to touch our lives. Our grandmothers have their own stories and struggles that make up a legacy that inspires amazingly loving children. I see my grandmother, and I am reminded of how she lives inside me and can make me strong every day.
