You can Download it free of cost from here and take advantage of many more grammar topics.

Subject and predicate for class 3rd

Subject and Predicate are the Parts of the Sentence. *A simple sentence has two main parts — Subject and Predicate.* Without any subject or predicate no sentence will make any sense so it is important to have both these in your sentence to convey the entire message or for making a complete sense.

What is a Subject for class 3?

The first part of the sentence is *Subject which tells us who is performing an action.* It may be a name, pronoun, or thing.

What is Predicate for class 3?

Predicate is the second part of the sentence. *The Predicate expresses the action done by the Subject or tells us what the subject does.*
